

Our 2019 COMMUNITY DEMAND LIST /manifesto

1. ALL FOREIGN NATIONALS TO LEAVE THE COUNTRY IMMEDIATELY

The foreigners has to leave our country for ten years and give us a space to fix our problems. Foreign nationals who want apply for immigration must apply in the respective countries embassies in their countries and stay in the camps. Who want to do business in South Africa must be prepared to share on 60%/40% basis with South Africans.

2. STRONG PROSECUTION ON GENDER BASED VIOLENCE AND RACISM AT A MINIMUM OF 25 YEARS JAIL TERM

Gender based violence and Racism: Our communities are calling for much stricter laws and sentences to those found guilty of gender issues , children abusers and racist utterances in particular perpetrators of rapes and racist remarks should not be allowed. The sentences on these not be less 25 years.

3. FREE, QUALITY, DYNAMIC AND COMPULSORY EDUCATION WITH 50% MINIMUM PASS MARK.

The foreigners has to leave our country for ten years and give us a space to fix our problems. Foreign nationals who want apply for immigration must apply in the respective countries embassies in their countries and stay in the camps. Who want to do business in South Africa must be prepared to share on 60%/40% basis with South Africans.

4. UNIVERSAL HEALTH CARE SYSTEM WITH ONE CLINIC, ONE AMBULANCE IN EVERY VOTING STATION

There will be one well-equipped clinic, one ambulance, one doctor, one psychologist and one police officer in every voting district. • There will be one well equipped hospital in every municipality with not less than five medical doctors, not less than two traditional doctors and faith based practitioners. Enough medical supplies and not less than two medical suppliers every hospital. There will be more nurses and doctors training colleges build and our nurses and doctors must well be remunerated. The community health workers will be highly trained and be absorbed into health department and their current level of education will be recognized. There will be well equipped home based care centres in every tenth ward and the home based care givers well trained. Medicines for those who are chronic will be delivered at the door steps of our chronic patients. On a weekly basis, the doctors will compelled to visits our chronic patients at their homes for general check ups. .

5. ESTABLISHMENT OF MINISTRY OF YOUTH TO TACKLE TO UNEMPLOYMENT.

F4SD government will collapse and shut down NYDA and from its ashes we will establish Ministry of Young People by the young people. Youth in this country constitute majority but no department is dedicated to them. There will be an increase on minimum wage from R20.00 per hour up to R45.00 per hour. We will further ensure that all employment agencies are outlawed immediately. Employment age gap must be

eradicated so that people are employed in terms of their skills and knowledge. We will introduce skills development from grades ten up to grade twelve.

6. R200 000 HOUSE BUILDING VOUCHERS FOR ALL DESERVING CITIZENS

We will issue R200.000.00 voucher to a deserving citizen to build their own houses at their own designs. The voucher will be managed through accredited building materials warehouses and through state owned building materials warehouses. Our senior citizens and child headed families will be prioritised to get houses first. No foreign national will be allowed to benefit from our government housing scheme.

7. LAND TO BE EXPROPRIATED DIRECTLY TO THE PEOPLE

All expropriated land must be distributed directly to the people not in the hands of the state as this will cause a serious backlog and also eliminate corrupt activities. The must All expropriated land must be redistributed directly to the people who have claimed it under the land claim process. There must be a clearer agricultural land allocation to previously deprived people and intensive agriculture training to our agriculture graduates.. 6. Water and Sanitation.

8. FREE PUBLIC TRANSPORTATION SYSTEM FOR YOUNG PEOPLE UNDER THE AGE OF 25 AND SUBSIDY FOR THOSE ABOVE 25 YEARS OLD.

This will enable increased public access and movement for young people and above which will in turn benefit more to those looking for work, this will also advance social integration and business opportunities. This will also reduce use traffic jams since there will be less use of personal cars.

9. DECOMODIFICATION OF WATER AND SANITATION

Water and dams and free quality clean water to be nationalized immediately. Reintroduction of boreholes and wind mills to complements our natural water resource which is now negatively affected by global warming. Every ward to have not less than five boreholes and windmills and not less than two water reservoirs to store quality clean water. The sanitation infrastructure has aged and the current sanitation infrastructure system needed to be renovated as a matter of urgency and the sanitation plants to be improved.

10. AMENDMENT OF ELECTORAL SYSTEM

We are calling for National, Provincial and Local elections to be held at the same time. F4SD further calls for President, Mayors, Ministers and Speakers to be elected directly by the people. We are saying now is time for introduction of electronic voting for easy process.

11. THE OFFICES OF AUDITOR GENERAL OF SOUTH AFRICA AND PUBLIC PROTECTOR TO BE MERGED INTO ONE OFFICE

F4SD view the co - existing of these offices as a waste of resources moreover that the Office of Auditor General has less teeth as compared to Public Protector. We are there calling for merger of both offices so that the huge corruption happening at the local government level is dealt with decisively.

12. SCRAPPING OF PROVINCES

The provinces are a waste of time and blockage to service delivery; they behave like rusty post boxes therefore as the F4SD we call upon this sphere to be removed as we establish a Fresh South Africa with only two spheres of government.

F4SD there invites all citizens to #walkwithus with the us as we build a Fresh South Africa for each one.
